P.E Curriculum Term 2 2013

This term we are very lucky to have Little Devils Circus working with the children for 7 weeks. They will be learning skills using juggling sticks, scarves, diablos, hoops and rings. On the 8th week, June 11th, there will be a display to show off all the skills the children have learnt at 12pm for parents to come and watch if they would like. This week the children learnt to use juggling scarves, juggling sticks and ribbons. They had a lot of fun. We hope to see you at the display.

Yours in Sport

Sue Tobin
